

ARRIVING IN NEW ZEALAND

WELCOME TO NEW ZEALAND!

Airport Procedures

When you arrive at Auckland Airport, first you need to go to **Passport Control**.

Here you will need to show your:

- Passport
- Visa
- Completed passenger arrival card.

You will be given a **Passenger Arrival Card** on the plane so you can fill it out then. Make sure you read and answer all the questions carefully.

Once processed, you can go to **Baggage Reclaim** to collect your luggage.

After picking up your suitcases, you'll go through to **Customs** where you will need to declare any **Restricted/Prohibited Items**:

- NZ\$10,000 or more in cash and/or foreign currency equivalent
- more than 3 litres of spirits
- more than 200 cigarettes
- any type of food
- plants, wood
- animal products

Biosecurity NZ aims to prevent the entry of pests and diseases which could endanger New Zealand's important agriculture and horticulture industries. Failing to declare any necessary items could result in fines and delays.

This [video](#) explains what you can or cannot bring into New Zealand.

Shuttle to Whangarei

When you come through to the International Arrival Hall, turn left and look for the **'Pre-booked Transport & Tour Groups' sign** near McDonalds.

The shuttle driver will be waiting here with **your name on a NorthTec sign**.

If you arrive early or can't find your shuttle driver, ask staff at the **Help Desk** to help you so make sure you have these **emergency contacts** with you:

Stan Kerr	Stansvan	Shuttle driver	027 2688 144
Barbara Kerr	Stansvan	Shuttle driver	027 629 2931
Emese Tornai (Ms)	NorthTec	Accommodation Coordinator	027 558 4562 027 2882 043

You will not need any NZ cash for the **shuttle fare** as NorthTec would have already invoiced you for it on your Offer of Place or will do so when you arrive.

The shuttle is a 'door-to-door' service so you will be taken directly to your **Whangarei accommodation**.

Transfer to Domestic Flights

When booking a domestic flight, please allow around 3 hours for entry procedures into New Zealand, as well as any unexpected flight delays. Your checked-in luggage must be under 20kg and your carry on under 7kg.

After collecting your luggage and clearing Customs, to check in to your domestic flight, either go to the domestic transfer desk on the ground floor of the International Terminal or transfer directly to the Domestic Terminal by using the free inter-terminal shuttle or by following the sign-posted walkway.
